Testimonials

“Our sincere thanks for making our 60th wedding anniversary such a memorable one, and I’m sure for all of our guests, as all have said the venue was lovely and the staff was friendly and wonderful. Everyone thought the food was out of this world. Thank-you and all the staff for a great job, superbly done.”

Shirley & Rex Braddy (60th anniversary)

“Thank-you very much for all your help last Sunday. Thanks to you it all went very smoothly. You are so calm about everything including last minute requests and changes to the arrangements. I really appreciate your help and support with these when they occur. The meal was beautiful, nearly everyone commented on it. The poor Chef was well rewarded with gratitude for his efforts over a hot stove.”

Diana Allen – Jazz Australia (large member’s club event)

“I have been running regular monthly party nights, at The Bentleigh since 2014 and it is our most popular venue on our event calendar. We regularly have 250+ people attending and the parties run very smoothly. The expertise and co-operation of the Bentleigh Club staff make it a very easy and enjoyable experience. If you are looking for a fantastic venue for your next event, I would highly recommend the Bentleigh Club”

The Fountain Room

The 'Fountain Room' is named in acknowledgement of the exquisite heritage listed Italian fountain that takes centre stage amidst our beautifully manicured gardens. The fountain can be seen from all aspects of the main room and decking area, and when lit up at night provides a spectacular backdrop for your event. The bright and airy room is perfect for large cocktail parties, trade shows, formal banquets, dinner dances and weddings. Your guests can enjoy canapés and cocktails on the deck before moving inside to commence formal proceedings. With a large parquetry dance floor, raised stage area, up to date audio visual equipment and a well-stocked bar, the room avails itself to accommodate any style of event.

If a more casual event is what you desire, then The Bentleigh Club has it covered. With barbeque packages or perhaps barefoot bowls, you can have a relaxing day on the deck, maybe a Devonshire tea or garden party is more your style!

The Legends Room

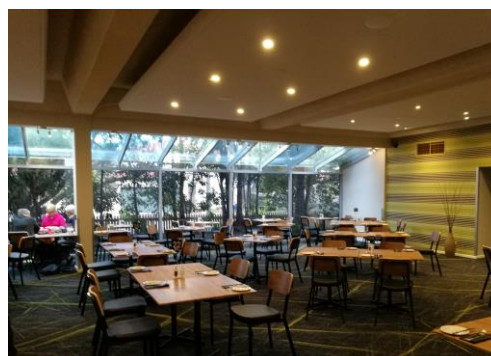

The 'Legends Room' is the perfect room to hold a corporate function, conference or small cocktail party. This room is smaller and more secluded and is positioned away from general activities of the club, therefore providing a quieter and un-interrupted space. With all the modern requirements at your fingertips, your business seminar or training session will run smoothly and successfully.

Small dinner parties or even birthday celebrations the Legends Room lends itself to the quiet small and more intimate of gatherings

The Garden Room

The Garden Room is a lovely room, so named for the garden that frames the room. This room is the perfect size to hold a small corporate dinner or cocktail party, its more casual open look makes it a more lively room, it has a dedicated bar and adjacent relaxed seating perfect for pre- dinner drinks or networking depending on the event. It's a quaint, fun room that would be great for relaxed get together's.
