Welcome Back To The Bentleigh Club..... We Have Missed You!

We have put in place a lot of procedures to ensure you can enjoy yourself safely while in the club. All of these procedures have been implemented in accordance with legislative requirements.

Sanitizing stations are available for use and social distancing is practiced at all times.

We also ask that all our club members and guests treat our staff politely and with respect – they are doing their utmost to both comply with the guidelines and to ensure that you can enjoy yourself.

Rest assured the Bentleigh Club is and will continue to comply with the Government standards of CoVid19 hygiene.

All management and staff have completed the Victoria Government's Operating a Hospitality Business in a CoVid19 Environment Training and ensured that all our staff are familiar with the Hospitality Industry Guidelines for CoVid19.

Please stay safe, follow the rules and enjoy yourself!
